Entries are not valid until fees have been paid in full. Email confirmations will be sent once your entry is complete (electronic entry with payment). Entries not completed by the closing date may be replaced with those from the waiting list.

**** CODAC members only:** to enter online before the general opening date please contact the Trial Director for the club trial password (same one all year).

Entry Limits

To allow more teams to enter the trial, each dog's entry is limited to the number of events it is qualified to enter. In other words, no 'extra' FEO runs are available on initial entry. For example, let's say a trial has a total of 8 Masters events. Every Masters dog can enter a maximum of 8 events (Masters, Advanced or Starters). A dog can still run FEO in any event they are entered in; however, they cannot enter more than 8 events.

If a team would like to have extra FEO runs, they should send an email to the trial secretary indicating which event(s). Extra FEO runs will be considered only after the trial entry has closed.

Dog Measurement

For dogs under 2 years of age, a judge will provide a one-time measurement that will be used until the dog is 2 years old. A temporary measurement dog ID card will be emailed to the handler by AAC after the measurement is done. When the dog reaches 2 years of age, two official measurements with judge's signatures are required. This is done on the permanent dog ID card that was emailed to the handler when the dog ID number was assigned.

You must notify the Trial Secretary in advance if your dog requires measuring.

Bitches in season:

BIS will be allowed on site and to compete in trials, following the policies outlined below:

- Handlers of BIS are required to notify the Trial Secretary as soon as it is known.
- All competitors will be notified that there is a BIS at the trial.
- The handler of the BIS or the handler of any other dog entered may withdraw from the trial with a full refund if they choose not to compete.
- The crating and movements, including pottying, of the BIS will be limited to designated areas so that the BIS is kept isolated from other dogs at all times.
- Crating of BIS will be done in a vehicle. The BIS will wear well-fitted protective panties, specifically designed for the purpose of containing seasonal discharges. The panties may be removed only when running a course, for pottying, and when crated.
- BIS must run in panties or use a protective mat at the start line. If a mat is used it is to be supplied by the competitor, be non-slip and non-porous, and large enough to easily fit the entire dog.
